- **Total M2 const** 2000.00

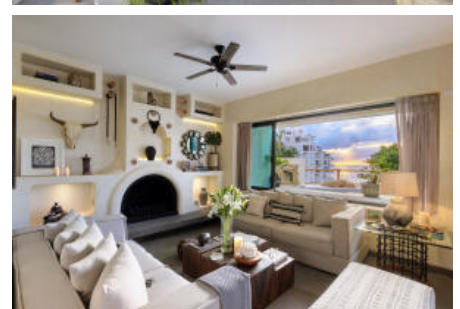

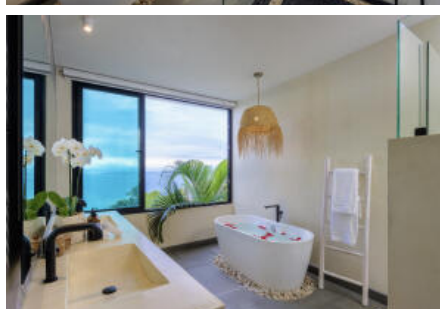

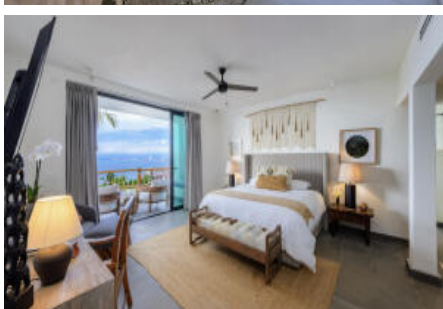

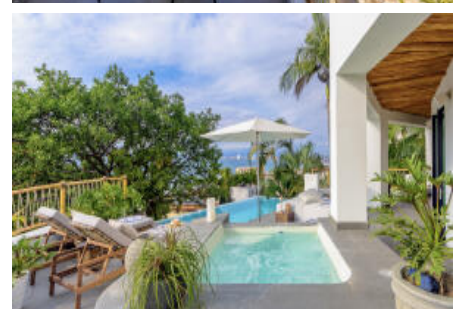

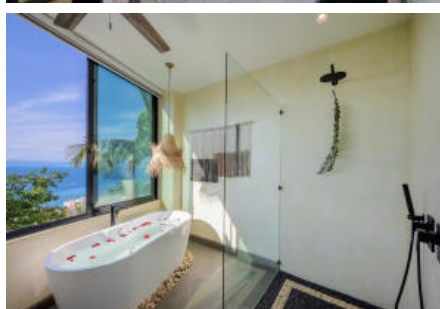

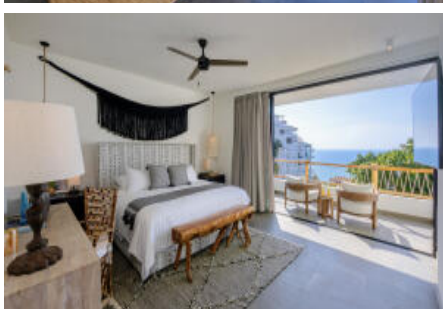

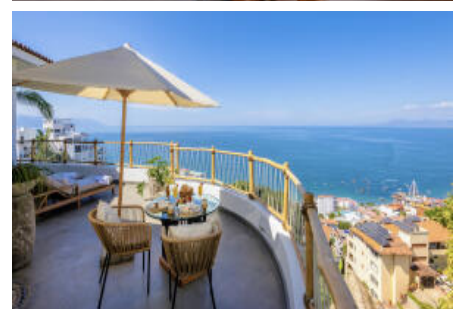

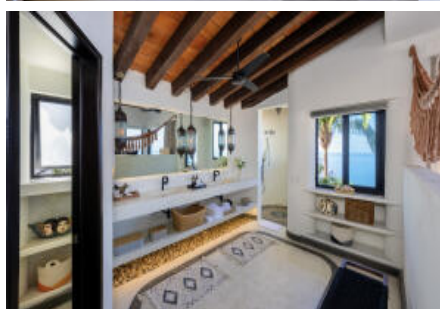

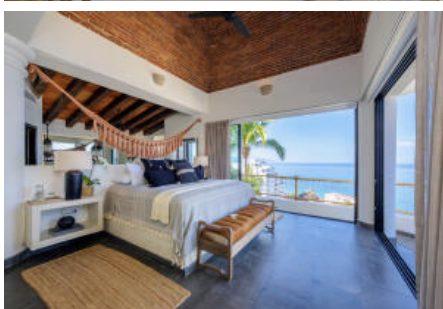

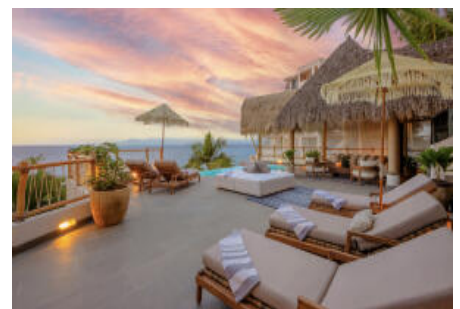

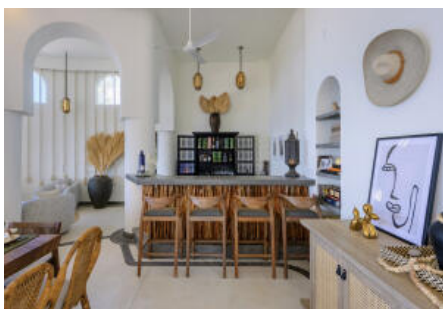

Property Description:

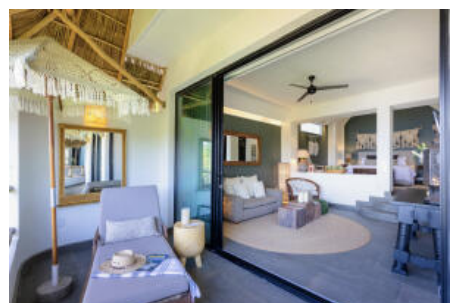

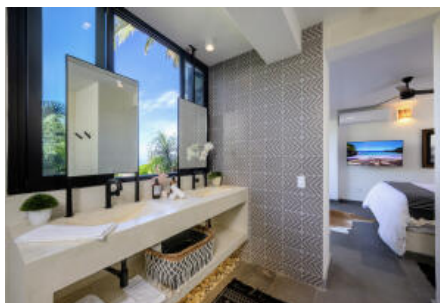

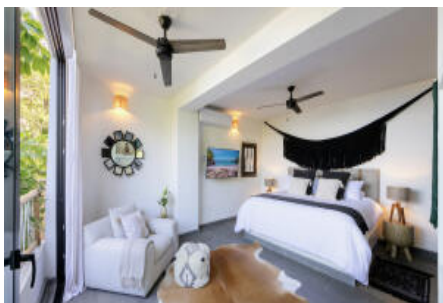

Esta espectacular casa, ubicada en el corazon del cerro de Amapas, es mas que una simple villa; es una transformacion de un par de casas individuales en una unica concepcion unida entre si a traves de terrazas, areas comunes y hermosos jardines; pero estan perfectamente acondicionadas para su utilizacion por separado. Con arquitectura tradicional mexicana en un lujo eclectico contemporaneo. Una estructura anticuada de finales de los anos 1980, reinventada y transformada en un espacio que encarna la esencia de Mexico con inspiracion de Tulum, mientras se mezcla armoniosamente con la hermosa naturaleza y los alrededores de Puerto Vallarta, con maravillosas vistas al pueblo y al Oceano Pacifico.
