Property Description:

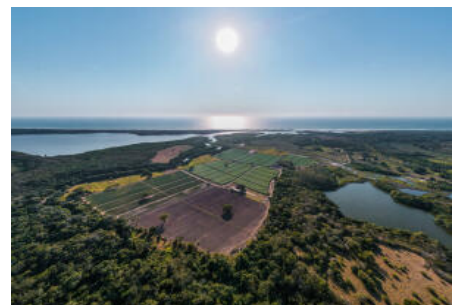

This 573.81-hectare piece of land located in Cruz de Loreto, Jalisco, Mexico is a unique combination of natural beauty and modern comfort. With 3 km of unspoiled beaches and a lagoon, it offers a serene escape from city life and is equipped for sustainable living with its own deep well and electrical access. The area is in the process of developing into an ecotourism hub, with exciting plans announced by the state governor and proximity to upscale developments like the Costa Careyes Resort and Four Seasons Tamarindo. With easy access from several major airports, the land is a rare investment opportunity for those seeking a stunning piece of nature with contemporary accessibility. The property is priced at \$98 million or \$17.07 per square meter.
